Propaganda Of Increasing Quantity And Violence

IN A BROADCAST FROM THE CABIN OF THE PRESIDENTIAL YACHT ON SATURDAY, PRESIDENT ROOSEVELT WARNED THE NATION THAT EVIL FORCES WERE WORKING TO SNATCH AWAY LIBERTY AND FREEDOM FROM THE AMERI-CAN PEOPLE, STATES A LONDON MESSAGE.

Mr. Roosevelt also told the people that they would have to work harder than ever before in their lives. If their kind of civilisation was over-run the kind of peace they wanted would become an unattainable thing.

FREEDOM OF SPEECH, FREEDOM OF THOUGHT, FREEDOM OF THE PRESS AND FREEDOM OF WORSHIP WERE BEING THREATENED.

Martial Law Imposed In Norway In Ruthless Form

党查拾陸伯拉仟伍與武第

LONDON, March 30 (Reuter)-Martial law has been imposed in Norway in a ruthless form, according to information received by the Norwegian telegraph agency.

.This has been done by Herr Terboven, Herr Hitler's commissar in Norway in a proclamation which, without formal declaration, actually imposes martial law.

The proclamation has been published in all the Norwegian newspapers and exhibited on large posters in every town.

It declares that German law is henceforth to be applied to all offences against the German forces or against "the authority established by the Fuehrer": thus the quisling Government constituted last September by Terboven "comes" under the protection of the German military law.

DEATH PENALTY

Many offences are specified as subject to the death penalty. In addition, the usual offences such as espionage and sabotage, the death penalty may be applied to anyone who interrupts or endangers the smooth working of any undertaking important for German defence of Norway, to anyone who shelters Englishmen or citizens of Britain or does them service and anyone who tries to weaken the fighting spirit of the German soldiers in any way.

The death penalty will lalso be imposed for leaving Norway to enter anti-German military force and for leaving Norwegian ports and coasts in any ship or boat without ed a considerable depth behind permission.

GERMAN COURTS

Cases will be tried and sentences imposed by the German military courts.

A "Norwegian Government legal expert, commenting on the proclamation, declared it violated the principles of the Hague Convention on land warfare.

The German Radio gave the route Mr. Matsuoka will take to the station and instructions to German listeners that along this route the population will make their farewell cheering to the Japanese diplomat.

TURKISH COMMENT

The Turkish paper ULUS states that the Japanese Foreign Minister is not accompanied by such high and competent Staff officers which would empower him to make any decision affecting his country. If no understanding is reached with the Axis this trip could only be regarded as a political demonstration, states a London message.

The latest British victories in Africa and events in the Balkans have no doubt made it necessary for creating that impression.

THE GENERALLY POOR STANDARD OF PLAY NOTICED THRUUGHOUT THE PAST RUGBY SEASON AMONG WING FOR-WARDS was remarked upon by Mr. H. R. Epic Of The Old West

Hit Attraction For Lee Theatre

Samuel Goldwyn's I'ne Westerner," a United Artists release star-Gary Cooper and Walter Brennan, was previewed at the Lee Theatre yesterday morning and will begin its run there on April following "Pastor mail."

One of Hollywood's finest contributions toward the dramatisation of the history of the Old West, the picture employs for story material the struggle for existence on the Texas plains of the homesteaders. striving to set up their farms, in cattle country immediately following the end of the Civil War.

Gary Cooper gives a controlled performance in a role that is not beyond his talent, and it may be said that he has enjoyed better starring roles in such films as "The Plainsman" and "The Virginian." Nevertheless, he is good, and does more than adequately by the part.

JUSTICE & "HOOTCH" h The picture stars also Walter Brennan as the decrepit Judge Bean, dispenser of justice across the same bar along which he deals in Western "hootch." In the role of a hobo made good, despite a stretched neck achieved in a "necktie party" Walter prennan does wonderfully well.

The story revolves to a large extent also about the beautous Lily Langtry, as big a name on the stage then as Lillian Russell was some quarter century later, who makes but one brief appearance near the finale."

Lily happens to enjoy the only prominent place in the affections of the grizzled Judge Bean, and we are given to understand that Cooper would have been dealt with in ignominous manner as a horsethief were it not for the lucky thought that brought her name to

However, he survives to shoot it out in due course with Judge Bean, and the picture ends on a happy note with Bean crossing the Great Divide -with the vision of Lily before him. Doris Davenport plays Cooper's sweetheart and everything ends well with the homesteaders finally settling down on the Texas

GOOD DIRECTION A picture that has obviously benefitted greatly from good direction and photography, "The Westerner" makes good as an epic of the old, wild - West, but it remains from first to last an epic. However, as such it is definitely recommendable for an enjoyable afternoon or evening.

Also previewed yesterday was a short "The Road To Victory," a Ministry of Information release to be screened in conjunction with "Pastor Hall." This happens to be. one of the finest pictorial viocuments of the War

Nazi Schedule In Balkans Completely Dislocated

VICHY, March 30 (Reuter)-A state of siege has been proclaimed in Yugoslavia, says a Budapest telegram to the Vichy news agency. A state of siege is a modified form of martial law. The message adds that the people were notified by posters

Belgrade radio, announcing the news, asked the people to obey orders to prevent a "foreign element" from taking advantage of the situation to cause trouble.

Mr. A. V. Alexander, First Lord of the Admiralty, speaking in London yesterday, described the Yugoslav events as "the most serious diplomatic defeat Hitler has yet suffered."

PRESS COMMENTS

Hitler must now make new plans. What will they be? That was the keynote of London newspaper comments yesterday on the latest developments in Yugoslavia. The Daily Telegraph says it is

not surprising a chilly front has descended upon the exultant celebrations prepared for Mr. Matsuoka's reception in Berlin.

Hitler's Balkan time-table is completely dislocated. Nevertheless it is evident Hitler is bound for the sake of prestige and general strategic plans to cast about for means of retriving what he can from the wreck. ALTERNATIVES BEFORE HITLER

Greece has steadfastly pursued neutral policy in the present European conflict. Our government has strived for years to improve relations and maintain peace in the Balkans.
